	PAGE
PREFACE	v
CHAPTER I	
HISTORICAL	
ORIGIN of knitting—Origin of Framework knitting—Trade Conditions in the first half of the nineteenth century— The Advent of Power machinery—Invention of the latch needle—Production, past and present	1
CHAPTER II	
OPERATIONS PREPARATORY TO KNITTING	
Knitting yarns: Cotton, Wool, Silk—Numbering of knitting yarns—Comparison of weight and yarn count in mixed fabrics—Yarn preparation—Winding and winding machines—Knot-tying—Warping	15
CHAPTER III	
PRINCIPLES OF KNITTED FABRICS	
Woven, twist and looped fabrics—Plain knit fabrics—Ribbed knit fabrics—Purl knit fabrics—The tuck stitch—The open stitch—Fashioning—The pelerine stitch—Variation in colour—Yarn employed and loop selection	28
CHAPTER IV	
HAND-KNITTING MACHINES AND KNITTING OPERATIONS	
The first knitting machine—Circular knitting machines— Making seamless hose on hand circular knitting machines—Making ribbed seamless half-hose—Flat knitting machines—Fashioning on hand flat knitting machines—Knitting operations—Definitions of technical terms	43

CHAPTER V

MANUFACTURE OF HOSIERY

	PAGE
Cut hosiery—Wrought hosiery—Seamless hosiery—Hosiery knitting machines—Cotton's patent hose frame—Circular automatic knitting machines—Plain, rib and fashioned seamless hose and half-hose—Seaming of wrought hosiery—Seamless ribbed hose and half-hose—Circular Rib fashioning machine	62

CHAPTER VI

MANUFACTURE OF KNITTED UNDERWEAR

Cut underwear from finished web—Men's cut pants—Knitting machines for cut underwear—English loop wheel frames—Ditto, with fleecing mechanism—French circular frames,—Plain latch needle web frames—Rib circular knitting machines for underwear fabrics—Wrought underwear—Seaming and finishing machines used—Making-up machines	80
--	----

CHAPTER VII

MANUFACTURE OF FANCY FABRICS AND
OUTER GARMENTS

Fancy hose and half-hose designs—Underwear designs—Knitted Coats, Costumes, Neckties, Mufflers, Scarves, Shawls, etc.—Glove manufacture—Bonnets, Caps, and Headgear—Golf and sports hose tops—Tuck and check designs—Football shirts—Swimming Costumes—Miscellaneous articles—Warp knitted fabrics—Warp knitting machines—Double rib loom	104
---	-----

CHAPTER VIII

TRIMMING AND FINISHING OF KNITTED FABRICS

Scouring—Rinsing—Milling—Fulling—Brushing—Pressing—Calendering—Mordanting—Dyeing—Unshrinking—Stoving—Bleaching—Extracting—Singeing—Drying	125
