ABOUT COLORS AND SIZES. The following are colors of lace curtains and curtain materials: Going from light to dark, ivory is the first shade darker than white. Cream is slightly darker than ivory. Drapery ecru comes next, a soft warm shade of light tan. Beige is a little darker in color than drapery ecru. Curtains may vary from 1 to 2 inches from sizes given; for due to the finishing process they either shrink or stretch slightly. In ordering curtains bear this in mind.
