

## **Get Experience. And have an experience.**

Apple is a place where students can thrive. Develop skills and get hands-on experience working with some of the best minds in the business.

Would you like to earn good money working for Apple this next year? Is a flexible part time schedule, something you are looking for? Do you want rewarding/meaningful work where you ARE the difference? How about a job that can grow into a career? Motivated Wildcats can work for Apple from home. All majors with a 2.7+ GPA who will be enrolled at UA through May 2017 are encouraged to apply. Make sure to stop by and see Melanie Wiley, Apple College Recruiter, at Spring Career Days on 3/8 & 3/9/16 to learn more about this Amazing opportunity. Beardown!
