

R&D Summer Intern Program at [Dow AgroSciences](http://www.dowagro.com).

R&D internships are available in **chemistry, biology and computer science** related disciplines, including, but not limited to, biochemistry, molecular biology, cell biology, microbiology, plant breeding, organic chemistry, analytical chemistry, physical chemistry, surface chemistry, engineering (chemical, biological, material, or optical) and informatics (bio and chem).

Our laboratory-based Research and Development internships are located at our global headquarters in Indianapolis, Indiana. This is a paid internship.

Salaries are adjusted according to the student's year in school. Subsidized housing is available for qualified students. Students pursuing a Bachelors, Masters or Doctorate degree from a U.S. based college or university with proper U.S. work authorization or the ability to obtain work authorization through their university are eligible.

Interested students should apply at <http://www.dowagro.com/careers/internships/lab.htm>.

Applications will be accepted between August 1 and November 1, 2015 for the 2016 program.
