

Build On Workshop

Join Microsoft for snacks, a brief presentation and hands on guidance as we focus on building your personal brand. This is your chance to ask and learn how to leverage yourself for potential opportunities at Microsoft and in tech. Come by for the inside scoop on landing an internship/career in the ultra-competitive landscape of the tech industry.

Time

Tuesday, February 9th
5:00-6:00 PM

Location

Computer Lab (SUMC 411)
