

Enjoy a €10 000 to €500 000 financing
thanks to Publicis90 and kickstart your project!

Submit your project before February 28th 2016
on www.publicis90.com

Publicis launches Publicis90 90 years of innovation, 90 financed projects, why not yours?

To celebrate **90 years of innovation**, **Publicis Groupe launches Publicis90** a call for international projects to provide 90 projects or start-ups with the support and funding they need to get off the ground.

- Do you want to create your very own business?
- Have you imagined or already developed **an innovative project that include digital technology?**
- Are you looking for a **financial and technical support?**

The 90 most innovative projects will receive:

- **Between €10,000 and €500,000**, depending on project maturity and business potential.
- One year of **exclusive support** from Publicis Groupe.

To register to Publicis90, click here!

How to participate?

Click on the link above, register on **the platform and complete** the form presenting your project **before February, 28th** .

Good luck!

Publicis Groupe
