

**The University of Arizona/NASA Space Grant  
Undergraduate Research Internship Program  
Intern Application 2016-2017  
Application Deadline: Tuesday, July 5, 2016 at 11:59pm**

If you want to expand your universe and get paid for it too, we may have the perfect job for you in the UA/NASA Space Grant Undergraduate Research Internship Program!

The University of Arizona/NASA Space Grant undergraduate research internship program is intended to provide a paid research-work experience for undergraduate students that can also help develop professional/career interests or aid in developing an understanding of scientific work. Space Grant Internships provide mentored, research, research & development, science writing, science policy, or science education experiences. Application: <https://spacegrant.arizona.edu/opportunities/internships/apply/interns> Interns for the 2016-2017 year are selected in early August.
